Pickens County Detention Facility Visitation

Inmate Visitation

The Pickens County Detention Facility's visitation procedure is implemented so that you, the visitor will not have to wait to visit. Appointments for visitation will have to be made at least 24 hours in advance by calling 205-367-2006. If you have not made an appointment there is no visit. Every inmate has a visitation list that includes 3 family members and 1 minister; only 2 family members are allowed to visit per session. In order for you to be able to make an appointment to visit you have to be on the visitation list. If the inmate you are trying to visit has refused to make their list, you will have to wait until he/she adds your name to their list. YOU CANNOT ADD YOURSELF to their list.
